

# Piret Tõnurist

## OECD

**Anticipation is a central skill for any auditor.**

Dr. Piret Tõnurist is a senior project manager at the OECD, Observatory of Public Sector Innovation (OPSI). She leads OPSI's work on anticipatory innovation governance, country reviews and is the co-founder of the cross-directorate Mission Action Lab.

Piret holds a research fellowship at the Ragnar Nurkse Department of Innovation and Governance, TalTech and she conducts research on a variety of topics such as co-creation, AI governance, machine-to-machine coordination and innovation policy management. She has previously advised the Parliament of Estonia and worked as a performance auditor for the State Audit Office in the field of innovation and entrepreneurial policy.

Piret holds a PhD and MA from TalTech in technology governance and MSc from KU Leuven in policy evaluation. She can be found on Twitter at @PiretTonurist.
