Jamie Patterson
Audit Methodology
UK National Audit Office

Jamie Patterson currently leads on Audit Methodology within the Practice and Quality Team at the UK NAO. Jamie's responsibilities include development of audit methodology, the NAO's assurance model, responding to quality review findings and the implementation of our new system of quality management.

Jamie has worked within the Practice and Quality team for the past 7 years. Prior to this, he has worked on audits across a number of areas within the NAO including health, culture, education and the academies sector.
