

**Solly Segooa**  
**Chief Risk Officer**  
**AGSA**

Solly Segooa, a qualified and registered CA, has 27 years working experience, 23 of which he spent in executive management and various governance and directorship roles.

He currently works as the Chief Risk Officer of AGSA, where he is responsible for organisational risk management, ethics, legal, and quality management. He has been an EXCO member of the organisation for the last 9 years. Prior to joining the AGSA, he worked for a short stint at Transnet – a state owned entity in SA, and 10 years with the Phembani Group. Solly served on a number of Boards, including the Board of Engen Limited. He served on a number of Audit and Remuneration committees.

He served his articles with Deloitte, after which he stayed on to manage a portfolio of clients.

His experience stems from roles in mergers and acquisitions, audit, strategy, governance, project management as well as a tenure as a CFO of a mine.
